

“AIR PRESSURE”
BY

TEXT: *Mat 6:31: Therefore take no thought, saying, What shall we eat? or, What shall we drink? or, Wherewithal shall we be clothed?*
Mat 6:32: (For after all these things do the Gentiles seek:) for your heavenly Father knoweth that ye have need of all these things.
Mat 6:33: But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you.

Every person that rides a motorcycle any at all knows the importance of correct air pressure. Having a flat when you only have two wheels under you and no spare, is not only inconvenient, but can be down right dangerous especially if you're riding at turnpike speeds.

Having the correct motorcycle tire air pressure is important but in every day life knowing how to deal with the pressures of life is equally important. God intends that His children be content and happy. The devil's desire is to stress you out and bring you under his thumb. The Word of God tells us that the devil comes to "steal, kill and destroy". Now everyone will at sometime or another experience pressures in life because that's just life. Making a living, paying bills, meeting deadlines all can create pressure. And those kinds of things are normal to human experience. But it is possible to have all the pressures of life going on and at the same time not be affected in a negative way by them. When a person knows the Lord Jesus Christ as Lord and Savior of their life there is a unexplainable inside peace that overrides all life's pressures.

If you would like to experience true joy, even when experiencing life's pressures then invite Jesus Christ to become the Lord of your life. To do that all you need to do is pray this prayer meaning every word of it in your heart.

“Dear Lord God, I believe your Son, Jesus, died for my sins. I believe that you raised Jesus from the dead so that my sins could be forgiven. I ask you to forgive my sins and I ask Jesus to become my Savior and Lord. Thank you Lord God, for hearing my prayer and saving my soul, in Jesus name.
