

## YOU CAN'T TAKE IT WITH YOU

BY

Evangelist/Chaplain Richard J. Wagnon

TEXT: *And as it is appointed unto men once to die, but after this the judgment:*

I know a couple of guys that wouldn't sell their motorcycles if you offered them double what they are worth. I know one guy that puts so much value in his bike that he parks it in his living room. No fooling. Some bikers love their bikes so much that if it were possible they would be buried with them. Now I want to tell you, that's a biker!

But one thing is for sure, no matter what material thing you own and love, when this life is over those things are going to stay behind. There is nothing of this world that you are going to be able to take with you when you die. And one thing is absolutely for sure, one day you will die and you will leave this world and everything you own behind, because "You can't take it with you".

So that leads me to ask this question, "when you die, where will you spend eternity?" When all the things you have owned in this life matter no more, will you possess the one thing that really counts? Will you possess salvation, will you be counted as a child of God and will you have the one and only thing that will really matter on that day? Will you be saved and hear God the Father say "well done thou good and faithful servant".

If you would like to become a possessor of the only thing that really matters, if you would like to make sure you'll have a home in Heaven, then pray this prayer meaning every word of it in your heart. Amen

*"Dear Lord God, I believe your Son, Jesus, died for my sins. I believe that you raised Jesus from the dead so that my sins could be forgiven. I ask you to forgive my sins and I ask Jesus to become my Savior and Lord. Thank you Lord God, for hearing my prayer and saving my soul, in Jesus name.*
