TEXT: Matthew 24:3, And as he sat upon the Mount of Olives, the disciples came unto him privately, saying, tell us, when shall these things be? And what shall be the sign of thy coming, and of the end of the world?

This time of year one thing that every biker looks forward to is warmer riding weather. Every true biker rides some all year long. If you have never ridden when the temperature is well below freezing let me tell you, you have to love motorcycling to do that. But when the weather starts to warm up, a biker knows his riding time is going to increase greatly. So at this time of year excitement grows because the riding season is just around the corner.

In the spiritual realm as we look at what's going on in the world, we can say with confidence "It's Almost Time" for Jesus to return to this old sin-filled world. Jesus promised He would return and He gave us many signs to watch for. He said when you see these things approaching you'll know I am coming soon. So when we read our newspapers and listen to the news and see the signs Jesus talked about we can say with scriptural authority, "It's Almost Time" meaning it's almost time for Jesus to come, we are at the end of time as we know it.

So with this being true every thinking person needs to ask themselves, am I ready if Jesus were to come today? If the answer to that question is anything but yes then you need to pray this prayer and accept Jesus Christ as your personal Lord and Savior.

"Dear Lord God, I believe your Son, Jesus, died for my sins. I believe that you raised Jesus from the dead so that my sins could be forgiven. I ask you to forgive my sins and I ask Jesus to become my Savior and Lord. Thank you Lord God, for hearing my prayer and saving my soul, in Jesus name.
