

“GOING FAST”

By
Richard J. Wagnon

Do you like to go fast? Not everyone does but a lot of folks that ride motorcycles enjoy the thrill of going fast. Motorcycle racing, stock car racing are sports that have one goal and that goal is to go faster than anyone else. Usually even people that don't want to go fast themselves still enjoy watching others who go fast.

Now one thing is for sure and that is the older you get the faster it seems that the years fly by. It seems like only yesterday that my dad was taking me to take my driver's license test. It seems like only yesterday that I was walking down the aisle to get married and that was forty-five years ago this year. Time has really gone by fast and all too soon we find that we are at the end of this life.

The question is, “have you done the one thing in life that is the most important thing you could ever do?” Have you accepted Jesus Christ as your personal Lord and Savior? A lot of people say, well one day I'll take care of that but right now I'm just too busy to take time for God. The problem is time goes by so fast that many people run out of time before they know it. No one is guaranteed tomorrow. You could be reading this today and not be here tomorrow! So if you have been living a fast pace life and haven't given a thought to where you will spend eternity then why not take the time right now to pray this prayer.

“Dear Lord God, I believe your Son, Jesus, died for my sins. I believe that you raised Jesus from the dead so that my sins could be forgiven. I ask you to forgive my sins and I ask Jesus to become my Savior and Lord. Thank you Lord God, for hearing my prayer and saving my soul, in Jesus name.”
